- Still intro & motivation

- What is Seerah? & set stage

- "Seerah" → "Sara / yasiru / sayran"
  = to traverse / to travel

- seerah = biography, bc you're traveling his journey / footsteps

- Benefits
  → Allah swt obligates us.
  50 verses to take him as a example

Perfect example: أسوة حسنة

→ manners / morals / leadership / father & husband / worship. etc

→ living human example to follow

→ to inc love of prophet saaws

→ embarassing we know dunya but not rasul

→ love someone → learn more

→ understand Quran. gives context of revelation

→ raises hopes & gives optimism

→ earlier seerahs → تثبيت فؤادك

→ is seerah a miracle: patience/ perseverence/ success. From backward barbaric nation to 50 years spreading, 100 years ruling the world.

divine sincerity behind him.
Uncorrupted by the power he wielded

Ibn Hazm: seerah sufficient miracle to prove he's a proplet

revolutionized Arabia, conquered Rome & Persia

→ methodology for revival of ummah

→ learn best generation ever
«خير امتي قرني»

idea: mental map of characters
to fill out as you learn
Seerah. collect their cards.

→ Sahaba like stars. pick any,
You will be guided

→ knowledge to defend Rasul's
honor. Propaganda started
back then

Ali Ibn Husayn (great grandson):

"would teach maghazi, like they teach Quran"

teach Quran & seerah.

→ study of the best of the best.

- best of humanity
- best time
- best place
- best generation

→ study the revolution of Islam

23 years: risaluh to death

- where to study seerah? sources?

→ Quran. (revealed during seerah)

- ex: الم نشرح لك صدرك when he was 5.
- Quran tells us the hearts of the ppl & the hitten (3k ex: angels)
- but Quran not chronological

ال عمران: احد انفال: بدر

→ Hadith → 1 is snapshot of seerah

الكتب الستة:

→ books for seerah:

- 1st authors were Sahaba's children
- ex: عروة ابن الزبير
- his aunt is عائشة. he's a primary narrator from Aisha

- ابان ابن عثمان ابن عفان
- wrote booklet

- ابن شهاب الزهري (died 129 H)
- 1st scholar to compile,

- back then u need to copy books cover to cover, so earlier books combined
- Seerah compiled before hadith
- we have books from next gereration
- greatest scholor of seerah: Ibn isHaq, born 85 hijra in madina, grew up around children of sahaba
- wrote everything chronologically
- traveled to basra, kufa, to get more
- compiled everything w/ Isnad: chain of narrators
every person b-d, character, etc

- 10-15 volumes seerat Ibn Istaq
- Ibn Ishaq (85-150 H.)'s seerah too big to copy
- student: Ibn Hisham (Abdul malik ... -213 H)

→ He summarized Ibn Istaq

→ 4 volumes

- Ibn Istaq wrote history of humanity from Adam → Rasul in his seerah
- ppl started copying seerat Ibn Hisham
- Dr. Hamidullah studied Islam in france, discovered manuscripts in the west

- earliest mustaf in Paris & London
- discovered partial copy of Ibn Istaq.
- everytime Ibn Istaq mentioned a name, he'd take it back to NJ7 (AS)

- Dr. Hamidullah verified Ibn Hisham faithfully summarized Ibn Istaq.
- Only 100 years after death prophet saaws

Genre of books:

- Other books: شمائل, characteristics of el rasul
- شمائل الترمذي : the most famous.

- another source: دلائل, books of miracles of the proplet saaws.
- most famous: دلائل النبوة by البيحقي (12 volues)
- History of sahaba, makka, madina
- modern added non muslim sources.

Pre Islamic Arabia

- who are the arabs?

→ begining of Ibn Ishaq

→ arabs v arabized through language, culture, assimilation

→ two categories:

1) extinct arabs: العرب البائدة

→ earliest civilizations in Arabia

→ عاد & ثمود (earliest humans in arabia 3000 bce)

→ civilization of Saleh: after ثمود

→ Ibn Khaldun → "these ppl fled from Babylon during civil war"

→ some destroyed some migrations

2) العرب الباقية (remaining arabs)

a) Qahtan : father of arabs, son is Ya3rib

- Ya3rab (son's name) is 1st arab
- trace arab language to him

- majority opinion: descendant of noah's son sam. sam is father of semites: (aramites, H, nabateans, arabs, etc)
- legend: noah had 3 sons
- Yafith: father of caucasians
- Ham: father of Africans

- Qahtan is descendant of sam
- Qahtan not linked to Ibrahim.

- minority opinions, Qahtan descends from → Hud → Ibrahim

- Qaftan way before Adnan
- Qaftanis lived in Yemen → Saba
  → Himyar
  → Ghassanids
  → aws & khazraj in madina

العرب

العاربة

- both Qahtan & Ibrahim are semites, but distant cousins

b) Adnan

- ancestor of proplet saaws
- descendant of Ismail (AS)
- Ibrahim is from Ur, Iraq.
- fled Iraq through Egypt w/ cousin sarah, wng gifted Hajar (egyptian)

- "when you conquer egypt be good bc you have silah (through hagar)"
- Ibrahim (Ur, iraq) → ismail (half iraq, half egypt)
- tribe of Qahtan, Jurhum, ismail marries into Jurhum, speaks their language. few generations down: Adnan
- bw Ismail & Adnan ~10 generations (~400-500 yrs)
- From Adnani Arabs → all tribes like Quraysh

- Ismail had other children, one opinion is nabateans for ex:

. Adnani: اعراب مستعربة Arabized

- Proplet saaws is 20 gens down from Adnan.

- Arabized become better al arabic than AAriba. central arabia so they took best of everyone

. Quraysh are adnani

- Yasir Qadhi bases on Ibn Hisham, Ibn Ishaq, Al bayhaqi, tabaqat ibn saad

- Sh. Safi Al Rahman baruhfoori : الرحيق المختوم
  - → 1979: competition for book of seerah
  - → 400 books written
  - → sealed nectar won, he's the sheikh of Yasir Qadhi
  - → but english translation sucks
  - → wrote it in Azamgar, locked in library for 4 months in Arabic
  - → very good book in Arabic

Oxford professor on Shakespere. convert

- MartinIngs' book: eloquent in english
- wrote a book of seerah in english
- 2-3 stories wrong
- ex: love w/ Zaynab: fabrication
