xxs) Geneology + year of elephant

- El rasul is the 20th grandchild of Adnan

(Ansab)

- Ibn Al kalbi: best lineage scholar
- Adnan one generation before Isa (AS), bc Ma3d the son of Adnan lived same time as Isa.

- Adnan (30 BC)

- El Rasul's geneology:

→ [him to Adnan] 20 generations, everyone agrees

→ [Adnan to Ismail] Al-tabari says 7 opinions

→ [Ismail to Adnan] 1 source: tawrah, old testament, unreliable

→ 6k years in that, but humanity is 30k years at least

→ muslims don't need to honor the 6k year timeline

- Bible mentions sons of Hedar, from sons of Ismail.

«Hathuba al nusabun» hadith

- not too much ab all
- « Allah swt chose kinana from Ismail's children & chose Quraysh from kinana & from them banu huslem, & from them he chose me »

- For Arabs lineage was everything.

- You will not enter Jannah or Jahanam based on father. lineage irrelevant on day of Judgement
- but nasab not irrelevant. can be proud of it

- Ahl el bayt respected
- Quraysh also.
- mudar: 1st of Arabs to train camels, also camel poetry (train to go East)
- hinana: means giver. scholar. ppl came to meet him.
- no man named Quraysh. 3 ppl:

  big, medium, small

  fihr & Al-nadhr two candidates

  12 or 14th ancestors
